Medical and contact details

We need the most up-to-date details for you and your child. Please access the Arbor App and check that the information we hold for you is correct. This includes dietary, medical and contact details. Please do this by 27th Sept, at which point we will use the details for the rest of the academic year.

We send messages of "mid-term importance" via the Arbor app so do have it set up to use. Your account on the app can be activated with the email address we hold for you at RTS. Contact the Office if you need help with this.

Friends

On Friday 27th September the Friends will be supporting the **MacMillan coffee morning**. Tea, coffee and cake will be served from 9am in the hall. Takeaway will be available. Volunteers are needed to serve in the hall. If you can volunteer please email richardtaylorfriends@gmail.com

Cakes!!

The Friends are asking families from all classes to bake for the above event. Every child will have the opportunity to buy a cake for 20p on the day. If you are baking please remember no nuts, and if your cake is gluten or dairy free please label appropriately. There will be cakes available for every child with dietary requirements.

Please join us for our **first friends meeting** on Monday 23rd September at 7pm. The meeting will be in the staff room. Come to the office and we will let you in.

We have signed up with the **Cashpot for Schools** scheme. If you shop at ASDA please make sure that you register with the scheme so the school can benefit. THANK YOU!
