

To use Seesaw for parents, you can follow these steps:

1. **1. Get an invitation**

Your child's teacher will send you an invitation to Seesaw, which can be by email, SMS, or a paper invite.

2. **2. Create a Seesaw Family account**

You can create an account by downloading the Seesaw Family app or accessing Seesaw on a laptop or desktop.

3. **3. Connect to your child's journal**

To connect to your child's journal, you can:

- **Use the Seesaw app:** Tap I'm a Family Member, tap your profile icon, tap Add Child's Journal, tap Scan QR code, and hold the QR code up to your camera.
- **Use Seesaw on a laptop or desktop:** Go to the Seesaw website, click Family member, and scan the QR code with your computer's camera.

4. **4. View your child's journal**

Once you're connected, you can view your child's journal and any messages from their teacher.

5. **5. View activities**

You can view any activities your child's teacher has assigned by clicking the Activities tab.

6. **6. Respond to activities**

You can work on activities assigned by your child's teacher by clicking +Add Response.

7. **7. Check your inbox**

You can check your inbox for announcements from your child's teacher.
