Welcome Back

I hope that everyone had a wonderful Christmas and New Year. This is a lovely term with lots to look forward to. Happy New Year!
We anticipate the school being open again on Wednesday 8th, after a closure on Tuesday due to snow and ice. We will provide an update via text if anything changes.

Friends Meeting

The hard work of the Friends helped to fund our wonderful new outdoor play areas which will be enjoyed by the children from the very start of term. The next focus is to improve outdoor play resources for the children in KS2. The next Friends meeting will be on **Monday 20th January at 7pm in school**. Please come along and support the work of your PTA.

Building Work

The next building project starts as soon as we return to school. The final sections of original timber fascia are due to be replaced to ensure that we do not suffer damaging leaks. The work will not interfere with the running of the school although you may see workmen on the school roof.

Staffing Update

Mrs Norman continues her recovery from a minor operation and we hope to see her begin a phased return during the first half of the spring term. At the very end of term, Jo, our cook, broke her ankle. She has had surgery and has begun her recovery.
