Summer Fair 2025

Thank you to everyone who supported the school summer fair on Friday last week. It was a great occasion and we have hopefully raised funds to make a start on our KS 2 playground refurbishment. Special mention must go to Mrs Onslow who coordinated the fair and did an amazing job. We will let you know a final total as soon as the money has been counted.

Sports Day

The weather is set to be dry but cooler. We hope that you will be able to come along and support the children. Refreshments will be available for £1 each.

Class Performance

This week Coverdale Class will be performing 'A Midsummer Nights Dream' for their parents in the Wildlife Garden. This will go ahead whatever the weather.

New Parent's Coffee Afternoon

On Friday at 2pm the friends will be holding a coffee afternoon for parents whose children will be joining us in September. It will be a chance for them to learn more about the work of the friends. If you can help serve coffee and cake, that would be wonderful!

Separation Anxiety

We know that some children find separation anxiety a barrier to facing the school day. The link below will take you to a helpful flyer on the school's website: [Attendance flyers](#)

Gardening Award

Last Friday, the school was invited to Leeds Civic Hall where we received a special certificate at the Leeds DEC Awards Ceremony for our contribution to school gardening. Mr Groves, our gardening expert, also received a lifetime contribution award for his services to school gardening.

Mrs Martin

One of our teachers, Mrs Martin, is currently undertaking a challenge to swim 21 miles, the length of the Channel, to raise money for Macmillan Cancer. We are cheering you on Mrs Martin!
